Low season daily charters: 8.000 €/day

All rates: MYBA Terms + VAT + 40% APA

ARIA

ARIA is a stunning and luxurious C Boat 27 classic motor yacht, featuring impressive leisure and entertainment facilities. She is an impeccable displacement motor yacht, built in 2009 and refitted in 2021.

ARIA offers great value, thanks to her spacious, modern and bespoke design. She boasts five ensuite guest cabins, so is well able to accommodate up to twelve guests. This is a very comfortable motor yacht also offering great performance.

ARIA's cruising speed is 9.5 knots, but she can reach a maximum speed of 11 knots, thanks to her two 1.100 hp Caterpillar engines. ARIA is the perfect motor yacht for safe cruising in any weather with a very low fuel consumption.

ARIA's exterior offers wide spaces at the stern, bow and the upper deck. Access to the yacht is from the stern by a wide hydraulic gangway, adjustable in position and length, and extra safe thanks to its handrail. The stern area hosts a large al fresco dining table, perfect for every meal; from breakfasts in beautiful silent coves in the early morning, to delicious dinners at sunset, or maybe brunch between a dive and a swim. A sofa is placed to the right of the entrance, useful for removing shoes or to read a book in the shade.

Left of the main door are stairs to reach the upper deck where you can find a spacious sunbathing area situated at the stern and in the central part of the upper deck is the Jacuzzi, protected from the sun by the awning. In front of the steering wheel station, there is an additional dining area with a modern oval table – an ideal place for aperitifs or cocktails and an after dinner game of cards.

The bow of ARIA offers another sunbathing area, which for wind and sun lovers is the best place to catch the sun while cruising. The living area, with its access from the stern, has a modern and elegant style. The combination of light and dark brown wood along with the white sofas and ceiling create the perfect feeling of holiday home comfort.

The wide windows to the sides and the glass door at the stern allow natural light to illuminate the living and dining areas. The large sliding door at the entrance enables a multifunctional space which seamlessly adapts and connects the indoor and outdoor spaces, and is large enough to accommodate groups for events.

A sizable dining table is based in the front part of the living area, on the left of which lies the separate and fully equipped galley which was renewed in 2021, creating even more space.

On the lower deck there are five ensuite cabins. The main cabin at the stern is equipped with a large king-size bed, a private desk, and a wardrobe. Its bathroom has two sinks, a large shower, toilet and bidet. In the central part of the deck, opposite each other, are two double guest cabins with queen-size beds. Both are ensuite with shower, sink, toilet and bidet. At the bow, there are two twin cabins each accommodating up to 3 guests, with a larger lower bed (French size 125x200cm) and an upper single bed, making ARIA appropriate for family groups. This lower deck maintains the modern and elegant style of the main deck with brighter colours to lighten the space. A flat screen TV and safe box can be found in all cabins.

Aria offers a wide choice of water toys for entertainment, making her the ideal yacht for socialising and relaxing. An ample swimming platform at the stern gives the guests the possibility to enjoy the sea and watersports in the most fun and safest way. This platform enables a safe approach to the yacht by the tender, making getting on and off easier for the less agile.

The yacht is managed by a very professional crew of four and the talented chef can offer the highest quality meals at any time to suit. A further stewardess can be requested for more exacting clients or when there are several guests on board.
